**RESPONSE TO NON-COMPLIANT AMENDMENT**

Sir:

Please amend the above-identified application as follows:

**Remarks/Arguments** begin on page 2 of this paper.

**A correct copy of the Amendment filed 18 May 2007** is attached.

**REMARKS/ARGUMENTS**

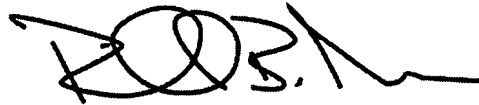

Reconsideration and further examination of the present Application is requested.

The PDF files that the Applicant attempted to electronically file with the Office on May 18, 2007, were corrupted somewhere between the original WORD document and its arrival on the Examiner's desk. The corrupted filing of course elicited a Non-Compliant Response objection from the Office.

The best course of action now seems to be to provide the Office with a good copy of the Response that was intended to be filed May 18, 2007.

If the Examiner would like to discuss these matters more fully, they are invited to telephone the undersigned at 650-575-4624.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'R. B. Main', with a stylized flourish at the end.
